Dear Dr. Jayjock,

Diana contacted me that you were interested and available in participating as an ad hoc expert for the TSCA SACC peer review of the draft risk evaluation of asbestos.

Before you can be selected, I need to perform an ethics review.

1. Your current Confidential Financial Disclosure Form does not expire until June 27, 2020. Please provide any updates.

2. Please complete the four questions regarding impartiality – the charge is the scientific peer review of the draft risk evaluation for asbestos.

If you have any questions, please don't hesitate to contact me (see signature block below).
